Or is it a new kind of tree for your front lawn? The P.T.A. wants you to come to the High School gym on Saturday night, April 4 and see for yourself. We need still more layer cakes, jewelry, comic books and fish pond items, all being collected at the school.

Richard Souders In Apollo Moon Shot Program

Richard Souders, son of Mr. and Mrs. Harry Souders of 208 Maple street, begins his duties April 10th as Aerospace Engineer (Flight Systems), with the National Aeronautics and Space Administration, in the Apollo Spacecraft Program office at White Sands Missile Range, New Mexico. As the title indicates, the program is the proposed Apollo moon shot.

Richard left here Tuesday, going first to Florida to spend a few days with friends, then continuing on to New Mexico. He has been at home since completing a course at Michigan State University last fall. He graduated from Michigan State University with a B. S. degree in 1960, and spent three years in Florida as an experimental engineer for Pratt and Whitney.

Mr. and Mrs. Carl Hanson received word from his brother Anker, that they were safe and sound, but hoped never to go through such a disaster again. Mrs. Hanson and their dog Pete were at home, and everything in the house was strewn about, dishes and furniture broken, except for her Haviland china and some hand-painted heirloom dishes. Anker was downtown in Anchorage at the Post Office when the quake hit. His car, parked outside, had damage to the hood when the Penney store walls broke up, but was otherwise okay. One of the streets was dropped 15 feet down, Fourth Avenue dropped 20 feet in places. Anker had written there was no damage to their house structure. Another friend was parked outside Penney's store when he felt his car shake. He jumped out, leaving the motor running, and got as far as the middle of the street where a woman was standing. They clung to each other as the walls of the Penney's store slid beneath the street and crushed his car, but when it was over the motor was still running.

Letters To The Editor

March 21, 1964

Dear Avalanche Friends:

We do enjoy the Avalanche and so do our Crawford County friends. We save them all. Although this was the cloudiest and coldest winter we have seen in Florida, we had no serious frost damage in this area. The grass stayed green all winter. I'm writing to send you a few news items for Maple Forest if you want to print them.

Mr. and Mrs. Stanley Hummel spent some time on the east coast where he enjoyed the ocean fishing and felt better. They visited the Howses at Intercession City for 10 days then went to Marietta, Ga., where Linda and Francis are attending school.

Red Budd and a neighbor from Flushing, Mich., spent a week with the Howses in February.

Mr. and Mrs. Homer Annis spent a month on the Florida Keys where he fished and both enjoyed shellfishing. They found beautiful and outstanding shells. They have their house trailer at Arthur Howses at present. Mr. Howse and Mr. Annis attended the Tiger, Cincinnati ball game in Henley Field at Lakeland.

Mr. and Mrs. Wm. Leng who have been visiting his brother Captain Bob Leng at Dunedin visited the Arthur Howses on their way to spend some time with a sister and brother, Mrs. Mabel Lewis and Mr. Fred Leng at Palm Bay, Florida.

March 20th, Mr. and Mrs. Annis visited her sister in St. Petersburg on Saturday.

Mr. and Mrs. Fred Lamm of Zephyr Hills, Fla., called on the Arthur Howses on March 19.

Mr. and Mrs. Chester-Smith of Bushnell, Fla., and Mr. and Mrs. Jesse Smith of Dearborn, Mich., visited the Howses recently. Mr. Jesse Smith retired in January and they are staying in an apartment at Howses while visiting friends and enjoying Florida attractions.

The weather has been delightful recently but the most important item of conversation among Michigan friends seems to be "When are you going HOME?"

Thanks a lot,
Emma Howse
P.S. — We always get the Avalanche by Saturday.

Bear Tamer Needed...

One thing can be said of Cuba's action in cutting off the water supply to the old-established U. S. Marine base on Guantanamo Bay, and the announced decision to ultimately take over the base by an undisclosed means: This time Fidel Castro went too far.

The base's necessary water will be supplied by deliveries from tankers, and by devices which freshen sea water. Additionally, new sanctions have been put into force against Cuba's communist government. It is clear that the patience of this nation has been strained to the utmost.

We have here two problems. One has been a failure of our own government's foreign policy. This has been, in a fundamental way, an honorable failure. We have chosen to attempt peaceful means to settle disputes, rather than to apply the brute force we possess. But there can come an end to the best of intentions, when every gesture and offer is met with a crude rebuff.

The other problem is that Castro cannot possibly have taken this step without the urging and support of his Soviet masters. He was recently received in the Soviet Union with elaborate ceremony and there, no doubt, the orders were given. The effort to create a major Soviet bloc in this hemisphere is thus intensified. It is an effort that we cannot ignore.

Kites - And Safety

We are in the midst of the kite flying season. And kites can be a danger as well as fun. One of this country's major utilities, the Pacific Gas & Electric Company, of California, has issued a booklet whose purpose is to make this a safe kite season. It lays down a set of simple and wise rules. Here they are:

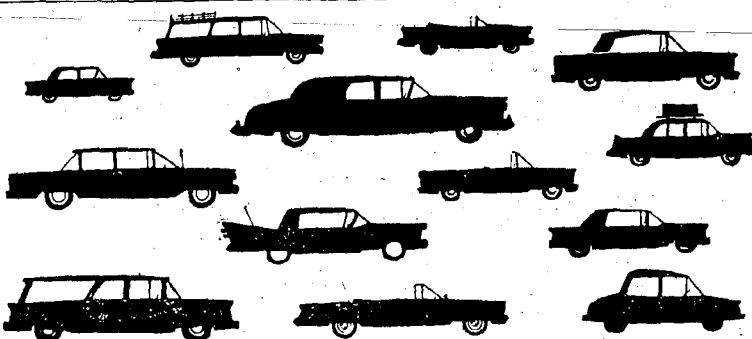

Don't cross streets or highways while flying kites. Don't fly a kite with metal in the frame or tail. Don't use tinsel string, wire or any twine with metal in it. Don't fly a kite near TV or radio aerials. Don't pull on the string or climb a power pole to loosen a snagged kite. Don't touch fallen electric wires. Don't fly a kite in the rain.

This is quite a list of "don'ts". But it doesn't stand in the way of pleasure in kite flying. Fun and safety, after all, can run together.

USS ENTERPRISE (FHTNC) — he performed on October 29, 1963, when the Enterprise was at sea with the Second Fleet. While manning his station on the flight deck during the recovery phase of air operations, he saw something fall from a "Skyraider" aircraft as it touched down for a landing. He ran to the object and discovered it was a parachute flare whose delayed fuse had ignited. He quickly cut away the illuminating portion of the flare and threw it over the side. His quick action prevented almost certain injury and damage to flight deck personnel and aircraft. He received his letter for an act of valor.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

April 3, 1941

Edward Gierke, who operates the Hi-Speed gas station on US-27 at Ottawa street has purchased the gas station and grocery business of Earl Nelson that is located on the same highway at Chestnut street. The new owner took over the business Tuesday, however, he plans to still retain his present station. Mr. Gierke needs no introduction to the public as he has been in the gas station business for the past six years and is well and favorably known to everyone. Mr. Nelson will operate the summer resort business of his mother, Mrs. Hans R. Nelson, known as Nelson's landing, at Lake Margrethe. She has cabins and a boat hivery and Earl will be in charge. Also he will do some building, having contracts to build a couple of cabins for Ohio parties as soon as the weather permits. These will be built on land that these parties bought of Mrs. Nelson at this landing. Earl also plans to plant other land that his mother owns there which will be for sale. Both gentlemen are wished success in their new lines of endeavor.

A huge cedar tree more than 11 feet in circumference and 70 feet high has been discovered in Bull Run swamp, in Higgins Lake state forest northeast of Sharon, by CCC crews cleaning up an area hard hit in a recent windstorm. Foreman Bert Darke, a veteran woodsman, says it is the largest cedar he has ever seen and CCC boys have named it Great Granddaddy. Near the rare old survivor another cedar of 17-inch stump diameter was blown down. After counting its annual rings, CCC boys estimated the smaller tree's age at nearly 400 years.

Mr. and Mrs. George Worthey of Horseshoe Lake, who have been spending several weeks in Florida, arrived home Wednesday.

Mr. and Mrs. Phil Quigley have purchased the Richard Lovely property located on Elm street. The Lovely family plan to reside at the Hanson State Military reservation.

Lawrence Hunter and family have moved into their home on Spruce street, having resigned as caretakers at the Ausable Trout and Game Club on the river. The Charles Barber family, who were occupying the house, have moved to the Andrus house on Park street.

Other than a bad scare no damage resulted from the fire that called the City fire department to the Wilfred Laurant home Sunday evening. A pair of canvas gloves that had become ignited when a fire had been replenished, were laid upon a shelf in the woodshed. The gloves smoldered until they were reduced to ashes and the wooden shelf had caught fire filling the house with smoke.

Mrs. N. G. Goodar has opened her clubhouse for the season, her first guests being Mrs. G. Glass and daughter, Miss Doris, and Mr. Fred Heckman, of Mt. Clemens. Miss Doris had the interesting experience of being lost for a few hours on the snowy trails. Mrs. Wells had heard her calling and Mrs. Mikesell, coming on snowshoes to the mail box, soon located her. She was somewhat exhausted but otherwise unharmed when returned to the Goodar fireside.

Misses Alberta Knibbs and Virginia Feldhauser spent Sunday and Monday visiting in Saginaw.

Mrs. Robert Dyer of Lansing was at her summer home at Lake Margrethe for a few days the first of the week.

Mrs. Olga Boeson arrived Wednesday from Muncie, Ind., where she spent the winter months and will remain here for the summer.

Mr. and Mrs. Carl Hanson spent the weekend visiting Mr. and Mrs. Stanley Taylor in Grand Lodge. Mrs. Marie Hanson accompanied them to Saginaw and spent the weekend visiting her sons Holger and Waldemar Hanson and their families.

Mrs. Gordon Pond and son Larry left Sunday to visit her mother Mrs. George Woods in Detroit.

Mrs. Emil Giegling is spending the remainder of the week in Detroit. Her niece Miss Laura Johnson of Hale is here to be with the children while she is away.

Mr. and Mrs. J. L. Martin spent Friday and Saturday visiting the former's mother Mrs. P. W. Martin in St. Ignace. Mrs. Martin celebrated her 84th birthday anniversary Friday and out of 33, twenty of her immediate family were present to make the day a memorable one.

Mrs. Louie Shorts and Miss Verma Elliott were co-hostesses at a farewell party honoring Herman Ingalls Wednesday, March 26. Herman was leaving the following evening for Fort Lewis, Washington, where he is serving in the U. S. Army. Ten of his friends were present.

Miss Thelma Hubbell of Chicago will open an Art shop in the Schmidt building located at 310 Mich. Ave. on May 1. Miss Hubbell is a former student of the Art Institute in Chicago and also studied in the Art department at C. S. T. C., Mt. Pleasant. The place will be known as Hubbell's Hobby Shoppe and she will carry a line of her own paintings and wood carvings and will do posture work; also she will have novelties and art goods. Miss Hubbell has spent the past three years in the vicinity of Gaylord doing her line of work.

Mrs. Leo Lovely was hostess to her sewing club at her home Wednesday afternoon of last week.

A son, Franklin U., was born to Mr. and Mrs. Roy Newberry of Frederic on March 29th at Mercy Hospital. The lad tipped the scales at 9 pounds, 6 1/2 ounces.

A surprise party was given Friday evening at the home of Mrs. George Skinner in honor of her mother, Mrs. Ray Murphy. Mrs. Murphy received a number of lovely gifts.

Miss Irene Martin of Cadillac was a guest of Miss Erdine McNeven the first of the week.

Mrs. Arthur Wilber of Lansing visited her parents, Mr. and Mrs. Eli Forbush at the Ward orchard at Frederic a few days and returned home last week.

Mrs. Marius Hanson and Miss Lucille are spending the weekend in Detroit.

Miss Louise Trevegno of Mt. Pleasant is a guest of Mrs. A. M. Lewis, and enjoying a week with her many friends. She was formerly a teacher in the South Side school.

Thursday morning a cablegram was received in the Nels Michelson home in this city that Major Hartwick was ill and within a few hours another message arrived saying that he had passed away. Major Hartwick was born in Grayling and graduated from the Grayling High school. He chose a military

career and graduated from West Point with honors. His valiant service as lieutenant in the Spanish-American war is recorded in Washington and is a record to be proud of. He was united in marriage to Bessie Michelson of this city. In order to be with his family, he later gave up military service and entered into the lumber business. When the war with Germany came, he again entered into military service, and the rank of Major was given him. He has been in active service in France for the past several months.

The largest crowd that ever came together in the school house was last Monday night when the final quota of the first list of drafted men were given a farewell meeting. It is estimated that about 800 people were present. The principal speaker was W. F. Johnston of Roscommon, who was introduced by the chairman, T. W. Hanson. The affair was given in honor of the boys who were to leave that evening, Benjamin Horton, Floyd Beach, Clyde Smith, George Waldie, Oscar Parsons, Fred Brown, Frank C. Foreman, Harry W. Sorenson, Elmer Cannasse, and Philip Cavanaugh. M. A. Bates presented the men with comfort bags on behalf of the ladies of the Red Cross and also housewives that were furnished by the ladies of the W. R. C. As in all other instances every man was presented a check for \$25 by Rasmus Hanson.

Miss Elizabeth Lewis, who spent the winter with her sister Mrs. T. E. Lewis in Frederic, has returned to her home in Canada.

For every man who ever fell in love with a Jeep—a new kind of family station wagon has been born. The Jeep Wagoneer. It's the first station wagon ever built to offer the comfort, silence, speed and smoothness of a passenger car—plus the traction and safety of 4-wheel drive.

It's sheer pleasure to drive. Simple too. One lever puts you in 4-wheel drive. So at a second's notice you can shift into greater safety...from wheel-spinning in mud or snow...from skids on slick surfaces...from getting stuck or going out of control on the highway or off!

The Wagoneer really makes a demonstration worthwhile. It'll be your most exciting 30 minutes behind the wheel in 1964. By the way, 2-wheel drive models available, too. See your Jeep dealer today.

Moose Lodge Activities

This Friday, April 3rd is the election of officers for the coming year. Officers to be voted on are: Governor, Jr. Governor, Prelate, and two Trustees. One trustee is for a three-year term, and the other is to fill a vacancy for a one-year term. Election will be at the lodge from 11 a. m. to 8 p. m. Afterwards there will be a regular meeting, at which time the votes will be counted. This is also social night. It is every member's duty to vote for the officers of his choice. The women of the Moose had an Easter party for children of members on Saturday, March 28th. Winners of the egg hunt for the girls were: Cheryl Bunker, first prize, and Thelma Galloway second prize. Winners for the boys were: Darryl Bunker, first prize, and Russell Stoddard second prize. All the kids and MYO enjoyed ice cream and cake, and some Easter candies.

A large crowd was at the club Saturday, and enjoyed a very nice birthday cake, made by Judy Yoder and Jackie D'Amour for the surprise birthday party for Betty Merrill and her daughter JoAnn, and Janet Johnson.

The W.O.M. reports, that "Fran" Neil is in the hospital. We wish you a speedy recovery Fran. The next W.O.M. meeting is Monday, April 6th, with an enrollment, and also social night.

The dinner on April 12th, is a benefit dinner for Richard Brockway, who has a broken leg. Barbecued Spare Ribs and Roast Beef will be cooked by Rudy Gilbert. Serving will start about 1 p. m.

The MYO officers are busy this week, getting ready to receive their Charter from the Muskegon MYO, this Sunday, April 5th.

A parade is planned, to leave the Moose Lodge around 11:30 a. m. The route will be from the Lodge to the Stop Light, and then proceed to the American Legion building for the Charter ceremonies. Men and women of the Grayling Lodge and Muskegon Lodge, plus the MYO from both places will be in the parade, also a band, and it is hoped, a float, if it can be gotten here in time. The Grayling Ritual Team will also participate. It is urged that all members, who possibly can, be on hand. All parents and interested persons are invited to attend the ceremonies at the Legion. The Grayling MYO will serve the Muskegon MYO a lunch at the Lodge basement afterward.

This will be a big day for these kids and a busy one, and we're sure they would like your support. Don't forget to vote Friday.

M. Y. Q.

Our March 11th meeting went as usual, followed by an officer's meeting where we discussed splitting the MYO and going either to the MYO or to the teen center. The next meeting on March 18th was called to order and run by John Galloway because in the split we lost most of our officers. We then had to re-elect the chairs of five officers: Vice-President Gary SanCartier, Chaplain, Sharon McLeod, Past President, Mike Hume; Treasurer, Walt Waite; and Sergeant-at-arms, Beth McLeod. It was announced that at our next meeting we would elect our President.

At our next meeting on March 25th John again called the meeting to order. We then elected our President, Dan Ingalls. We discussed installation which will be April 5th. Muskegon will come up on April 5th to install us into our offices. The MYO will serve them a dinner for members and chaplains and there will be a parade. We welcome everyone to attend the installation at the Legion.

R. L. D. S. Activities

The Dan Babbitts are happy to be again at home among their Church group and friends, to also assume their duties and privileges which they enjoy and do dread to leave each season to try to enjoy the "Sunny" South. The "Coolish South" they term it this year. The one outstanding feature they were privileged to enjoy was the third winter church Reunion held near Sebring. It has been very inspiring to meet the four corners of the

United States and Canada winter guests during that week of Church activities. This year we were ministered to by two Apostles, Donald V. Lents and Donald O. Chestworth of Independence, Mo.; Louis E. Landsberg, Bishop from Mobile Ala.; formerly Michigan Bishop for many years; Four Evangelists, three from the Center place and our own Lansing, Michigan Evangelist, Alva Dexter. He with his wife and daughter spent most the week at the Camp grounds. John Docker of Orlando, holding office

of a Seventy also Missionary for that area, taught the class on "Science and Religion." O. C. Hanson of Orlando, High Priest and Regional Director of Central Fla., was in charge of the week's activities. May 1 add the five foot rattle snake, captured near the end of reunion week, was deliciously prepared and served to the many visitors who so desired to taste and eat. UUUUUUUUUUU good, try it!

The Sunday of March 15 the guest speaker for the 11 a. m. service at the Grayling Church was Elder Waltz Fritz of Boyne City. Mrs. Fritz accompanied him. For the exchange Sunday, Elder Norval Stephan and Mrs. Stephan spent the same hour with the Onaway-Afton Church group, Norval giving the sermon.

The Social Meeting of the Women's Department of the Grayling, Branch met at the Dan Babbitt home on Thursday of last week. Mrs. Babbitt was happy to pull out her long table to seat the seventeen members and two guests, Mrs. Harold Lee and Mrs. Helen

Brooker. The luscious noon lunch prepared by Mrs. Jay Doty, Mrs. Earl Mathewson and Mrs. Norval Stephan as chairman, was greatly enjoyed. Five children helped to make an enjoyable day. Following the social noon hour, Mrs. Stephan gave the "Call to worship", opening the devotion period prepared by Mrs. Leonard Jensen. Following Bible readings and a short reading, Mrs. Patricia Fowler conducted the lesson from "Ambassadors for Christ," a study book prepared by the General Council of Women from Church Headquarters, Independence, Mo.

Business was next in order. Clothing is in the gathering to be delivered to the church's Social Center of Independence. From there, it is shipped after remodeling, for foreign aid.

The Benediction by Mrs. Babbitt closed the meeting. The next meeting will be at night, at the home of Mrs. Jay Stephan on April 2, 7:30. The theme for the hour will be on "Have dominion over the work of thy hands."

A BIGGER World

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

There comes a time, even in a chick's life, when the way must open to a greatly expanded world. When his confining shell no longer allows proper growth, he makes a point of throwing off his shackles and steps out into a big, strange world.

This comparatively simple phenomenon is paralleled in human existence as each child grows toward adulthood, and reaches out for the wider horizon. What he finds there will depend in great part on what he has been taught.

For this reason the early and continued guidance of Christian home and church are all-important. From these things the foundation of faith is built. Through faith and understanding the shackles of fear and bondage are dispelled, and your child grows spiritually strong to meet the ever-widening horizons and challenges of a modern world.

SEDGWICK - SHEEHY VOWS EXCHANGED

The wedding vows of Miss Minnie M. Sedgwick, daughter of Mr. and Mrs. Harold W. Sedgwick Sr. of Lytle, Texas, and Airman Second Class Michael John Sheehy, son of Mr. and Mrs. E. J. Sheehy of Grayling, were exchanged in a double-ring ceremony at ten o'clock Saturday morning, March 7, 1964, at St. Andrews Catholic church at Lytle. The Rev. Fr. William Lievens performed the ceremony before members of the family and a few friends. Music was by Miss Jean Sheehy, sister of the bridegroom, at the organ.

For her wedding Miss Sedgwick chose a white silk taffeta floor-length gown with chapel train and overskirt of lace and net. The bodice was trimmed with lace and fashioned with scalloped neckline, and lace sleeves. Her fingertip length veil was held by a pearl tiara, and she carried a bouquet of white carnations.

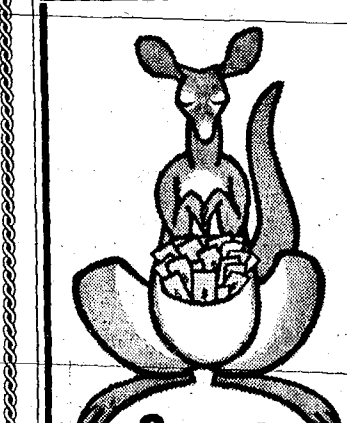

Mrs. Kenneth McEntyre, sister of the bride, was matron of honor. She chose a pastel pink embroidered silk dress with white accessories and white ribbon hat. Miss Jennie Anne Sheehy, sister of the bridegroom, was bridesmaid. Her costume was a street-length pastel blue embroidered silk taffeta with matching accessories, and headpiece of blue velvet and net. Both carried bouquets of deep pink gladioli. Miss Linda McEntyre, the bride's niece, was flower girl, dressed in pink brocade. She carried chrysanthemums in a white lace basket. David B. McEntyre, the bride's nephew, was ring bearer.

Airman Second Class Tony Bochino of Kelly Air Force Base served as best man, with Kenneth McEntyre as groomsman.
